## Business Spotlight

With over 41 years of combined experience, The Burrigh Agency's mission is to ensure our customers are insured. The Burrigh Agency consists of three agents. James J Burrigh (Jim) is the agency owner, and has been a fully licensed insurance agent since 1987. Jim is married to Donna, and the proud father of three, step-dad to five, and his fifteenth grandchild is arriving soon. Amanda Weakland has been a fully licensed agent for over thirteen years, and she is married to Curt and has a nine year old daughter named Megan. Jamie Burrigh is Jim's oldest son, and he has been a fully licensed agent for just under a year. He is married to Sue and has five children.

We strive to know our customers and fully understand their insurance needs now, and in the future. When they walk in our door, we view every client as a lifelong customer. There are numerous agents and insurance companies one could choose, but our dedication to our customers, coupled with integrity and the highest ethical standards, makes The Burrigh Agency a leader in the local market.

If there are gaps, or inadequate coverages, wouldn't you want to know before, not after, a claim, and when was the last time your insurance agent went over your policies with you? Over time, peoples' insurance needs change, so in addition to providing great personal service, we strive to safeguard you, and your family, in your ever changing insurance needs.
