MEET YOUR BOARD!

Stacey Koeppen - Board of Directors

Edward Jones Investments

stacey.koeppen@edwardjones.com

Stacey Koeppen is a licensed Financial Advisor with Edward Jones and is extremely pleased for the opportunity to represent her firm in the Ankeny and Central Iowa area. She has worked in the financial industry, in the capacity of marketing, recruiting and operations, for 15 years. She joined Edward Jones in 2013 as a

Financial Advisor in order to fulfill the goal of working one-on-one with individuals and families and for the privilege of being a trusted advisor helping them to meet their serious, long-term investment goals. Stacey's goal with each client is to help them build and protect wealth and pass it efficiently and effectively to their cherished causes and loved ones. She takes great pleasure in getting to know her clients and their families well in order to ensure personalized strategies that meet their broad and varied individual needs.

After opening her Edward Jones office in Ankeny, Stacey quickly engaged in various community organizations. She serves on the boards of the Ankeny YMCA and Ankeny Rotary Club and, for her second year, will chair the committee to plan Ankeny Summerfest Grand Parade. She has served on the Grace Lutheran Church council in Des Moines and is also an active supporter of the Des Moines Playhouse and the Leukemia and Lymphoma Society. Stacey joined the Ankeny Area Chamber of Commerce Board because of the many benefits she has received from the Chamber. She is looking forward to helping other Chamber members and the Ankeny community grow.

Outside of her role as Financial Advisor, Stacey loves anything outdoors, especially if it involves family and friends. She claims to be 'favorite aunt' to her 13-year old niece and wears the badge proudly, even though she is the only aunt! You will often find Stacey golfing, biking, swimming, gardening, cooking or working on a house project. Each spring, she makes it a point to go morel mushroom hunting, which she has done with her father for nearly 40 years in a row. Stacey is originally from Newton, Iowa, and earned her bachelor's degree from Iowa State University and her MBA from Drake University.
