Ankeny SummerFest Miss 16 - 2016

Miss Photogenic Contest

Taken by: Monahan Photographic Artist, 315 SW Walnut St, Ankeny, IA 50023, 515-963-8119

Appointments: Call the studio at (515)-963-8119 between 9:00-5:30 M-F to schedule your appointment. We have limited dates and times available for the contestants to be photographed. If you call right away to schedule your session, you will have more options to pick from, but if you wait, the available times are going to be limited. The deadline to have your photo taken is June 1.

Photo Session: Your Miss 16 photo session includes one outfit, 10 poses and a single background choice. Appointments will be scheduled every 15 minutes, so please arrive at least 10 minutes before your scheduled time and ready to be photographed. In consideration of others, please be punctual or you may have to wait or possibly reschedule your appointment. You must bring a parent with you.

Viewing Images: Your images will be posted online in a password protected gallery within 2-3 days of your session and you will receive an email with instructions on how to view your images. You will select the image you want to use for the Miss Photogenic Contest and will also have the option to purchase any other photos at that time. Your online gallery will **expire 1 week** from the date the email was sent to you and you must choose your pose for the contest before your gallery expires. **If you do not select your pose before your gallery expires, we will choose it for you.**

Clothing: We strongly recommend avoiding patterns, stripes, or busy designs which tend to be distracting. Solid, long sleeved shirts photograph best. Short sleeved shirts are also fine, unless you are self-conscious about your arms. Try to avoid sleeveless, cap-sleeve shirts, and tank tops. Neutrals or earth tones (black, white, and tan, gray) always photograph well on subtle backgrounds, and brighter colors photograph well on bright backgrounds.

Hair: Avoid changing your hairstyle or cutting your hair right before your session. Let it be natural. Although Lon tries to help with hair, it is hard to know what your hair is "supposed to look like." So make sure you like the way your hair looks or let Lon know your preferences. Hair style is ultimately your responsibility

Makeup: If you wear makeup, it should be natural, and not heavier than normal. Excess shine can be controlled by using translucent powder that will tone down shine without adding additional color. Concealer should be used to cover up blemishes. Do not wear glitter or shimmery makeup or powder because it can look like beads of sweat in the photographs. Heavy eyeliner is also not recommended because it can make your eyes appear darker. If you wear nail polish, natural or subtle colors look best. Avoid bright colors and make sure you have a fresh coat of polish on so chips don't show in your photos. Try to avoid sunburned or peeling skin before your session.

Glasses: Check with your optometrist to see if they will loan you an empty set of frames similar to yours for your photo session in order to avoid glass glare. Bring your regular glasses also.

Portrait: Your complimentary 11x14 contest print will be delivered to the Miss 16 Committee on or by June 9, 2016.
